

Awards for Keowee Anglers Random-Match, Team Member of 2018

This is the 9th year that the Random-Match Team Member of the Year Awards recognize the individual Keowee Anglers with the best, accumulated team bass catch during 3 out of the 4 team tournaments.

The Random-Match, Team-Member of the Year is a stratified tournament. Stratum A contains the Keowee Anglers members who, at the beginning of the year, were presumed to be the better anglers since they had won the most club prize money over the years. Stratum B contains new members and any renewed members who, at the beginning of the year, had won little or no prize money from the club in previous years. For each stratum there are 4 prizes: 1st Prize \$30, 2nd Prize \$25, 3rd Prize \$20, and 4th prize \$15 to be awarded at the regular Club meeting in December.

During each of the year's four team-tournament events, each team recorded the length of each legal bass caught by each team member, identified up-to-3 legal bass caught by one team member and up-to-2 legal bass caught by the other team member, and reported this information on their tournament results slips.

These results were added together to create the cumulative score for each member for the Random-Match Team-Member of the Year as follows:

- The team score in each event was the longest total length made from 3 bass caught by one partner and two bass caught by the other partner in that event. (Team members had to work together to ensure that each had a good chance of catching fish!)
- Each Team Member was assigned their team's score for each event.
- For each member the best three 2018 tournament scores were selected.

These scores have increased every year. We must be learning! This year for the second year all prize winners in Stratum A have scores over 200 inches. Also for the second year 3 out 4 of the Stratum B winners have scores over 200 inches! And Charles Townson has set a new record for the top score in Stratum A with 254 $\frac{3}{4}$, beating the previous record of 249 $\frac{3}{4}$ set by him in 2016. And Harry Elrod has set a new Stratum B record of 240 $\frac{3}{4}$, beating the previous record of 237 $\frac{1}{4}$ set by Kris Townson in 2017.

And the Winners for 2018 are:

Stratum A 1st Place with 254 $\frac{3}{4}$ inches: Charles Townson

Stratum A 2nd Place with 242 $\frac{3}{4}$ inches: Bob Stromberg

Stratum A 3rd Place with 222 inches: Dave Garrison

Stratum A 4th Place with 211 $\frac{1}{2}$ inches: Kris Townson

Stratum B 1st Place with 240 $\frac{3}{4}$ inches: Harry Elrod
