

**Keowee Anglers Board Minutes
April 09, 2020**

Attending: The regularly scheduled face to face Board meeting was not held due to the Covid-19 crisis. Board members submitted individual reports which are compiled into this set of minutes.

- May Tournament cancelled due to Covid-19

Program Director's Report – Rick Sommer/Tom Tamanini

- No update

Adopt an Island Update - Dave Goeckel/Rick Sommer

- Adopt an island will be monitored as needed for the April sweep. Found out from Duke that their barge does not pick up large logs as I requested, only floating objects like encapsulated foam that impedes traffic

Anglers Angle – Bob Stromberg/Don Lenahan

- For the month of March there were 14 tips sent out. Don and Bob continue to look for and send out tips as deemed of value to our membership

Real Time Fishing Reports – Bob Stromberg/Don Lenahan

- For the month of March reports submitted were as follows:

9 Board Members	51	63%
19 Other KA Members	30	37%

- This a record month with 81 reports submitted and far surpassed the last record of 57 reports submitted in February by 24 reports. It was also a record

of number of non-board members 19 that submitted reports. Hopefully it will continue and maybe grow.

- Bob sent out an email thanking all those that submitted reports in March to give them recognition for helping members catch more bass and hopefully inspire others to join in.
- Sent out an email reminding members of the “Need A Partner List” on our web site. This list only had 5 members on it and for some reason did not inspire members to participate. 2 more members have signed up as a result of that email, now at 7 on the list.
- I would suspect reports will decline because of the Covid-19 virus and most people sheltering.

Website Administrator - Bill W Smith

- No report
- Charles Townson has tendered his resignation from the Board. A decision about the need for a backup for Bill will need to be made.
