To correctly fill in the Tournament Result form:

- ✓ **Write the name of each angler in the appropriate cell (Labeled <NAME>) and take the form (and a pen) with you on the boat.**
- ✓ **For each legal bass caught, enter the length of that fish in a cell in the 2 columns below that team member's name (if, because of a large number of legal fish caught more space is required, use the back of the form and submit a pic of each side of the form.)**
- ✓ **At the end of the session, write the lengths of the 3 longest bass - caught by one partner - and the lengths of the 2 longest bass - caught by the second partner - in the column labeled <Team Best 5>.**
- ✓ **Total the lengths written in the <TEAM Best 5> column and enter that total in the <Best 5 TOTAL> cell.**
- ✓ **Enter the length of the single, longest bass caught by either team member in the cell labeled <Length Longest Bass>**
- ✓ **Enter the date and time fished**
- ✓ **Each team member must sign the completed form before the team separates at the end of the fishing**
- ✓ **Submit this form to the Director using the instructions itemized in the <To Qualify for a Prize> row at the top of the entry form**

NOTE:

When a team member's boat is used for both the practice sessions and tournament, the Board recommends that, as a token of appreciation, the second team member pay for the owner's tournament luncheon fee.
