### **Website Administrator – Mick Elam/Joe Galicic**

- No Report

### **Old Business**

- None

### **New Business**

- **Surplus Bank Balance**
  - Paul raised the issue of how to spend any excess funds we have after collecting 2026 dues. It was agreed that we would revisit this in February after all renewals and new member dues have been received.
- **Business Cards**
  - Tom asked if we should consider having some Keowee Anglers business cards created that the Board members could use and could be left in local bait/tackle shops. Since we are not actively recruiting new members, the Board did not support doing this.
- **Boaters for Tournaments**
  - Paul continues to be concerned about having enough boaters for our tournaments. We discussed having our new member application form and tournament registration forms modified to provide us with information about tournament qualifying boats. Paul will also emphasize that tournament participants need to be willing to be boaters to assure the success of our tournaments.
- **Benefit Tournament for the Hunter Piling Family**
  - Charles reported that the benefit raised over \$35000, with 87 boats in the tournament and over 1000 lottery tickets sold. The family was extremely appreciative.

With no further business, Rick adjourned the meeting at 9:35
